Dianthus Culture

canna

A new addition to the South Pacific series, Ivory thrives in hot and humid conditions and produces an abundance of bright 4-inch flowers all season. South Pacific cannas are disease resistant and well suited for garden borders, containers and shallow areas near water features.

panicum

A native cultivar, 'Prairie Winds Totem Pole' features a strictly upright, narrow habit. Its steel blue foliage is excellent for designing small spaces, hedges and windscreens. Hardy to Zones 4 through 9, it reaches 6 feet tall with a 2.5-foot spread.
