Agastache *hyb.* 'Poquito Butter Yellow'

(Terra Nova Nurseries)

Hardiness Zones: 5 to 10

Availability: Terra Nova Nurseries, Inc.,
Dümmen Orange

Propagation: Unrooted cuttings, TC

'Poquito Butter Yellow' has increased hardiness and mildew resistance. Showy dense heads of butter-yellow flowers appear from spring to fall. With its low, compact, bushy habit, 'Poquito Butter Yellow' makes a great border perennial and is a colorful addition to containers. It is a great pollinator plant and drought tolerant once established.

Agastache *hyb.* 'Poquito Butter Yellow'

Hemerocallis 'Storm Shelter'

(Walters Gardens)

Hardiness Zones: 3 to 9

Availability: Proven Winners Grower Network

Propagation: Division

'Storm Shelter' is a medium-sized daylily with flower stems proportionate to the mound of foliage. An enormous eggplant-purple eye matches a ruffled picrust edge on the blooms, which are saturated in rich color.

GG *Hemerocallis* 'Storm Shelter'
