new perennials

Lupinus Staircase Lupine

The Staircase series is the first lupine to not only have no requirements on the number of hours of daylight to bloom, but they also rebloom all season until the night temperatures reach above 22 celcius. The series comes in red, yellow, blue, orange and pink. Hardiness zone 4

Green Fuse
Botanicals;
Willowbrook Nurseries

Allium x Serendipity Ornamental onion

This sport of Millenium shares all of the qualities that made Millenium popular with the addition of glaucous blue foliage.

Hardiness zones 4-8

Proven Winners; Walters Gardens

Andropogon gerardii Blackhawks Big bluestem

The foliage emerges deep green to dark purple in spring and deepens to near black by fall. Blackhawks provides height and colour to the garden. Hardiness zone 3

Hillen Nursery

Penstemon digitalis Dakota Burgundy Foxglove beardtongue

Dakota Burgundy has glossy, purple-black leaves with lavender to violet flowers in June, which are attractive to hummingbirds. More compact than Dark Towers. Hardiness zone 3.

Terra Nova Nurseries; Valleybrook (Ontario)

Erysimum linifolium Super Bowl Compact Purple XL Wallflower

A compact version of the Super Bowl series, Compact Purple XL holds its shape in the landscape and is covered with loads of blooms. Hardiness zones 6-9

Syngenta Flowers; Think Plants
