ECHINACEA PURPUREA 'PINK POODLE' PPI9428

This pink "puppy" is prancing into the coneflower arena with amazingly large and fluffy 4" wide flower heads. Bred by internationally renowned local breeders, Terra Nova Nurseries, these bright pink flowers are a departure from the Echinacea 'Razzmatazz' hybrids and feature strong, up to 32" tall, well-branched stems with excellent vigor. This was no "dog" in our trials! – It's a Grand Champion! Loves sun. Arriving in our garden centers Memorial Weekend.

TWIST-N-SHOUT™ BIGLEAF HYDRANGEA PPAF

Like all plants in the Endless Summer® Collection, Twist-n-Shout produces abundant blooms on both old and new wood all summer long. Lacy deep-pink centers are surrounded by gorgeous blossoms of pink or periwinkle blue, depending on soil type. Sturdy red stems and glossy deep green leaves turn red-burgundy in fall to offer year-round interest in the garden. Easy to care for and hardy to USDA Zone 4, Twist-n-Shout is an elegant stand-alone specimen, dramatic in combination with other plants, and compact enough for containers. Likes part shade, mature size 3-5'. Available May 1st.
