◀ Upgraded mid-mount ZTR

Wright Manufacturing's Stander ZK is an upgrade to its traditional Stander and includes features like a low center of gravity for greater stability and a shorter overall length for maneuverability. Improvements to the ZK include greater fuel capacity and ground speeds – up to 14 miles per hour. ZK models have deck widths of 52 to 61 inches and engine options up to 31 horsepower. For more information write **157** on Reader Service Card.

Leatherman ▶ pruner features professional tools

The new Leatherman Genus pruner features a rotating handle that stores a full set of professional tools. By pushing a button and flipping the handle, a knife, Phillips screwdriver, sprinkler head adjustment tool/flat screwdriver, bottle opener and aggressive saw appear. Also included is a diamond-coated and wood/metal file that can be used as an open-end wrench for adjusting the pruner nut.

◀ Pretty in pink hybrids

Terra Nova Nurseries has created the *Echinacea purpurea* 'Pink Poodle,' a coneflower with 4-inch-wide flower heads. The fragrant, bright pink flowers feature strong, well-branched stems, growing up to 32 inches tall. The 'Pink Poodle' can grow in Hardiness Zones 4-9, needs full sun, and will attract hummingbirds and butterflies.
