Habit: Clump forming	<u>Diseases</u> : Leaf spot diseases are possible	
Day Length for Flowering: Day neutral		

Do NOT bury the crown of the plug

Description

With leaves that are as big and bold as the sun, this beautiful gold form of Aralia makes an outstanding accent in the shade or part shade. Fast growing and deciduous. Small clusters of white, satellite-like flowers in late summer are followed by purple berries. Performs well in containers or in the landscape. Fast to fill a pot.
