Possible Problems: Insect: No major

Diseases: No major

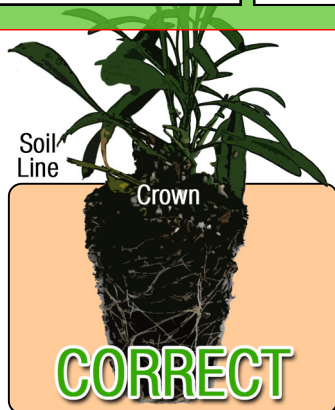

Habit: Trailing mound

Day Length for Flowering: Day neutral

PGRs: Not required or recommended

Do NOT bury the crown of the plug

Description

A bright, lime-gold background shows off a red center that grows in size as the leaf ages. Leaves show only a lime corona edge at maturity. Excellent, well-branched and low habit, which makes FLYING CARPET™ 'Shocker' a great choice for an annual groundcover.
