Diseases: Rust and powdery mildew are possible

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

## Description

Covered in bright rose-pink flowers from late spring until frost, Coreopsis 'Show Stopper' makes an impressive mound in the garden. This hardy Coreopsis blooms and blooms all summer long. No deadheading is needed. Good drainage is necessary. A visitor favorite at the Mt. Cuba, Delaware, Coreopsis trials in 2012. C. verticillata breeding makes this selection ultra-hardy.
