Hardiness Zones: 5 - 9

Possible Problems: Insect: Mites, aphids, snail and slugs are possibilities

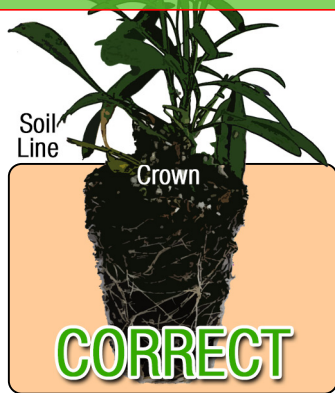

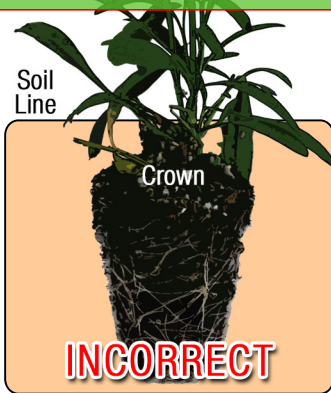

Habit: Clumping

Diseases: Root rot, if they don't have good drainage

Day Length for Flowering: Long day

Description

A wonderful introduction by Dan Hinkley with an amazing silver patch on each blue green leaflet. It has fragrant, purple-lipped lavender flowers in the spring. Expect it to go summer dormant.

Do NOT bury the crown of the plug
