Do NOT bury the crown of the plug

Description

Conch shell peach and coral are blended to form the fantastic flowers on this garden worthy plant. The double flowers first start off as a green-eyed anemone type and then burst into their true double form. Upright, compact habit plant features healthy mid-green foliage, right to the ground, making this plant very versatile and a pleasure to grow. Spectacular companion to its sister Echinacea CARA MIA™ 'Carmine'. Fantastic in the landscape, high crown count, and bright unique double flowers make the CARA MIA™ series a standout.
