Habit: Mounding

Diseases: The plants can have leaf spot and crown rot if kept too moist

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

Description

With its exceptional crown count, CARA MIA™ Rose is a blooming machine. It has wonderful anemone-shaped, raspberry-pink flowers. Blooms come on early and keep on coming until frost. We were amazed with the number of flowers on this plant with such a low, dense, compact habit. The extremely early bloom time is another bonus.
