Day Length for Flowering: Short day

Do NOT bury the crown of the plug

Description

This hybrid from Honeyhill Farms is exceptional for its quantities of large, out-facing, cream-centered, white flowers over vigorous, shiny, blue tinged foliage. Plant 'Honeyhill Joy' at your entry to enjoy the exceptionally early 2-month long show of marvelous, late winter blooms. Foliage is exceptionally weather-resistant, almost like plastic! Blooms early (after its first winter) in a 4" pot!
