Habit: Mounding

Diseases: Root rot may occur with excessive soil moisture or poor drainage. **Note**: All Heucherella are rust resistant.

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

Description

A star performer in Oklahoma's hottest summer ever. 'Gold Zebra' is a plant with a twist. Bright yellow, feathery leaves are boldly marked with dark-red. A standout in containers or "Front and Center" of the border. Nice bronzing with frost.
