Water Requirements: Dry moderately between waterings

Hardiness Zones: 6 - 9

Possible Problems: Insect: No major problems

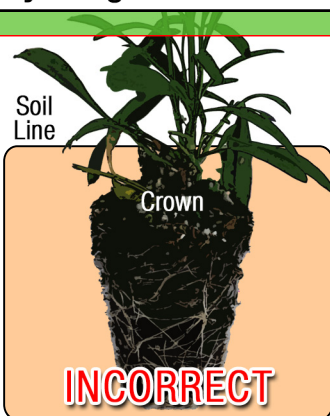

Diseases: Crown rot if overwatered or over mulched

Habit: Upright, bushy

Day Length for Flowering: Day neutral

Description

Large, clump forming Penstemon with attractive Shrimp pink flowers that shift to baby pink as they age. Very long bloom period and masses of flowers. Flowers are quite large and are very attractive to Bumble bees. A flock of Flamingos is called a Flamboyance. Very aptly named.

Do NOT bury the crown of the plug
