Possible Problems: Insect: Aphids, slugs are possible
Diseases: Botrytis can be a problem if the foliage is kept too moist. Leaf spot.

Habit: Clumping

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

Description

Our absolute winner in the 1999 trials for profusion of bloom and individual flower size. This plant was stunning here for over a month in masses and masses of pink flowers that change to blue. Great vigor, form, and foliage.
