Diseases: Botrytis can be a problem if the foliage is kept too moist. Leaf spot.

Habit: Clumping

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

Description

One of the longest blooming of all Pulmonaria with masses of out-facing magenta coral flowers that pop against the attractive, long, silver-spotted foliage. 'Victorian Brooch' bloomed for over 10 weeks in our Oregon garden. Mildew resistant.
