Hardiness Zones: 4 - 9

Possible Problems: Insect: Aphids are possible
Diseases: Fungal problems can occur if provided poor drainage

Habit: Clumping

Day Length for Flowering: Obligate long day

Do NOT bury the crown of the plug

Description

The iciest pink heads you'll ever see! Large heads of the softest pink on shorter stems make an awesome combination with blue-leaved grasses or Echinacea 'Hope'. Does not fall apart like 'Autumn Joy'. An excellent attractor of pollinating insects and butterflies.
