Diseases: Fungal problems can occur if provided poor drainage

Habit: Clumping, upright

Day Length for Flowering: Obligate long day

Description

It has to be dark magic to give so many great characteristics in one plant - amazing huge inflorescences, a short and very upright habit, glossy purple black leaves, dark pink flowers, and multiple crowns. In addition, 'Dark Magic' has been remarkably disease free and long-lived.

Do NOT bury the crown of the plug
