Habit: Low, spreading mound

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

Description

Not just another pink Veronica! Aspire sets itself apart with rich, saturated, deep rose flowers on a compact, long-lasting spike. Flowers and foliage have extra substance due to its breeding. The compact and upright habit of Aspire makes it very usable in any sunny planting situation. Perk up any container or bed border with this bright spot in a crowded field of Veronica. Healthy, easy to grow and gorgeous!
