

TERRA NOVA® Nurseries Introduction

# TIARELLA

## 'SEA FOAM'

- Beautifully cut and marked leaves give rise to a massive display of creamy-white flowers which virtually hide the foliage
- Nice compact clumping habit and attractive winter bronzing
- These plants show good deer-resistance
- Foliage Height: 6" - Foliage Spread: 14" - Flower Height: 11"
- Zones 4-9 - Part or full shade
